

[Dramatic music playing]

Female Voice: Home inspections point out flaws in a house. Information Security Risk Assessments do the same for your credit union's sensitive information.

Female Voice: With an ISRA from Sollievo, we can help you better protect your data. Let our experts review your security controls, determine risks to your data and suggest ways to reduce those risks.

Female Voice: Your credit union is home to your members' personal and financial data. Be proactive and secure it with an Information Security Risk Assessment from Sollievo.

Black screen with Sollievo logo in the middle. White lettering below logo reads, 'Contact seniorconsultant@sollievo.com for more on ISRAs.'
